Premier et Alberta

[illegible]

October 22, 2019

Right Honourable Justin Trudeau  
Prime Minister  
Office of the Prime Minister  
Langevin Building  
80 Wellington Street  
OTTAWA, Ontario  
K1A 0A2

Dear Prime Minister Trudeau:

Congratulations on your party's recent electoral victory.

Here in Alberta, of course, you were shut out as our propaganda machine was 100% successful in blaming you for this economic mess that our province is in.

Both you and I know that had Conservatives not decided to cap our sovereign wealth fund, we would not now be suffering from the inevitable vicissitudes that boom/bust cycles inherent to resource extraction economies cause.

No matter, though, as the gullible nincompoops that pass for citizens in this verdammit rat-hole will swallow anything if we bombard their numb skulls with enough propaganda, viz. that you are responsible for our economic mismanagement, not us.

Now we are going to clamor for separation from Canada if you don't accede to our mostly ridiculous demands. Cheers.

Sincerely,

Sincerely,

Hon Jason Kenney PC  
Premier of Alberta  
Minister of Intergovernmental Relations
